

**PUBLIC MEETING ANNOUNCEMENT
Bulk Survey for Release Program
July 17, 2007 @ 5:30 PM
Fleming Training Center
2022 Blanton Drive
Murfreesboro, TN**

The TN Solid Waste Advisory Committee is conducting a public meeting to hear comments from interested citizens concerning the disposal of solid waste with extremely low levels of radioactivity at the BFI Middlepoint Landfill in Murfreesboro (Rutherford County) TN. The disposal of this material is referred to by the TN Department of Environment & Conservation as the Bulk Survey for Release Program (BSFR).

This meeting will begin at 5:30 PM on July 17, 2007. All citizens and interested parties who wish to review information about the BSFR Program or ask questions about the BSFR Program may do so at exhibits presented by the Department. The Department will provide written information about the BSFR Program at the exhibits. The Department will also have a video presentation explaining the BSFR Program.

Beginning at 6:30 PM, the Solid Waste Advisory Committee will receive oral comments from the public and any interested parties about the BSFR process. Oral comments will be recorded by a court reporter. Written comments may be submitted at this time or mailed to:

Joyce Dunlap
TN Department of Environment and Conservation
8th Floor, L&C Tower
401 Church Street
Nashville, TN 37243

Written comments may also be submitted via e-mail to: Joyce.Dunlap@state.tn.us. The Solid Waste Advisory Committee **shall consider all comments received by close of business Wednesday, August 1, 2007.**

The TN Legislature has directed the Solid Waste Advisory Committee to make recommendations regarding the BSFR Program.

A map to the Fleming Training Center as well as detailed information about the BSFR Program is available on the Department's internet site: <http://www.state.tn.us/environment/rad/bsfr/>.

Directions:
