Public comments will be received concerning the proposed issuance of State Operation Permit (SOP)-07006 described below:

Integrated Resource Management, Inc. - Ashley Meadows Subdivision
Blount County, Tennessee

FOR THE OPERATION OF

Septic tanks, effluent collection system, recirculating media filter, UV disinfection and 1.5 acre drip irrigation system located at latitude 35.833333 and longitude -83.78333 in Blount County, Tennessee to serve 22 homes in the Ashley Meadows Subdivision. The design capacity of the system is .0066 MGD.

The hearing officer may limit the length of oral presentation in order to allow parties an opportunity to speak, and will require that all testimony be relevant to water quality issues. Written testimony will be accepted at the hearing, for ten (10) working days following the hearing, and will be considered part of the hearing record.

Interested persons may obtain additional information, a copy of the draft permit, the rationale and inspect and copy forms and related documents at the Division's Central Office at the address listed above. You may make an appointment with Ms. Sharon A. Baggett to view the permit by calling (615) 532-1172.

Individuals with disabilities who wish to participate in these proceedings (or review the administrative file record) should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Contact may be in person, by writing, telephone, or other means, and should be made no less than ten working days prior to **May 7, 2007**, to allow time to provide such aid or services. Contact the ADA Coordinator at **(1-866-253-5827)** for further information. Hearing impaired callers may use the Tennessee Relay Service **(1-800-848-0298)**.

You may reach Hari Akunuri, the permit writer for further information at (615) **532-0650**.
